## **WHAT IS HANDS TO HEARTS?**

Hands to Hearts, Inc. is a 501(c)(3) non-profit. Through the help of volunteers and donations, we are able to provide many programs to better the lives of children. Our programs include:

- H2H is partnered with Harvesters BackSnack program to provide more than 1500 children backpacks of food every Friday throughout the school year.
- Provide bags of food to homeless families in KCK and Shawnee Mission School Districts.
- On-going clothing closet for all seasons, offered to our BackSnack schools as well as any other local children in need.
- Provide reading tutors for a local KCK elementary school.
- Collect books to give to children.
- Host a bookmobile in the community for at risk children.
